

Thrillseekers Youth Outreach Program

Program Detail

This season Thrillseekers, Inc and the National Brotherhood of Skiers are actively building an outreach program for 5-10 year olds. We want to find and help fund some kids to participate and enjoy wintersports as we do!

We need your help! If you know of a youth in your family, in your church, on your block, who fits the criteria, please let us know. We've partnered with Hidden Valley (1 hour from NYC, where I coach and my 5 year old daughter skis) to provide lift, rentals & instruction for 9 weeks starting January 3 (site date needs to be updated). The program is flexible in that it could be either am or pm sessions (Hot Shots) both Saturday and Sunday or 12:30 - 2:30 (Hurricanes) during the season. See Link http://www.hiddenvalleynj.com/winter_racing.html
