

# CHAMONIX, FRANCE

## March 10, 2012 – March 17, 2012

Mountains rule in Chamonix, where some of the world's best expert skiing can be found on the jagged peaks and glaciers that rise 12,500 feet above the valley. Chamonix has more of an authentic alpine flair than resort glitz and glamour. Tucked beneath the shadow of 15,767-foot Mont Blanc, the power and beauty of this area are unmatched. This ski location is the oldest ski resort in France, and is really a quaint village of 10,000 people where the tradition of fine skiing combines with the diversities a town this size can provide. With a Chamonix ski vacation discover five main ski areas through the valley that offer 50 lifts and varied terrain for skiers of all abilities.
